Agreement was reached that these amendments would place the application in condition for allowance.

Authorization was given to the Examiner on February 3, 2005 to make these amendments in an Examiner's Amendment.

These amendments were made to further clarify the features of the program product recited in claim 39, and Applicants reserve the right to file continuation applications with claims broader in scope than those pending in the present application.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicants hereby petition for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,
